c-treeACE

Personal and Educational Use License Agreement

CAREFULLY READ THE TERMS OF THIS LICENSE AGREEMENT ("Agreement") BEFORE INSTALLING, DOWNLOADING, OR USING THE SOFTWARE. INSTALLING, DOWNLOADING, OR USING THE SOFTWARE IN ANY WAY SHALL BE YOUR AFFIRMATIVE ACT OF ACCEPTANCE OF ALL THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE WITH ANY PROVISION OF THIS AGREEMENT, DO NOT USE THE SOFTWARE. Contact FairCom if you have any questions or concerns about this Agreement. Once affirmatively accepted by you in the manner described above, this shall be a legally binding and enforceable Agreement between the FairCom Corporation ("FairCom") and you (hereinafter referred to as "Licensee"). Licensee is and herein refers to you personally if you are acting on your own behalf, or is and refers herein to any entity that is the organization, corporation, or other party on whose behalf you are acting. This Agreement governs the use of the c-treeACE SQL Server V9 technology which accompanies this Agreement.

License:

1. Grant of License.

Subject to all the terms set forth herein, FairCom grants to Licensee and Licensee accepts the non-exclusive right to install and use the c-treeACE SQL Server (comprised of the accompanying source code - if applicable, object code, binary executable files, documentation, sample/utility programs, and media, hereinafter collectively called the "Software") for its intended purpose **on a single server computer**. The c-treeACE SQL Server is licensed to support: (i) a specific number of concurrent connections and/or users; and (ii) a specific number of CPUs or CPU cores. Using the c-treeACE SQL Server with more CPUs (including CPU cores), connections and/or users than indicated on this license is a violation of this Agreement. The Software is licensed on a per executable basis. If more than one copy of the Software needs to be installed, additional licenses must be purchased for each installation. Licensee may further install the accompanying c-treeACE SQL ODBC Driver and JDBC driver on any number of client computers so long as they are used exclusively to access the data files under the control of a licensed c-treeACE SQL Server.

2. Software License Restrictions.

The Software distributed under this Agreement is subject to limited use only. This license is for use solely:

- for personal, non-commercial purposes excluding any use that will result in direct or indirect financial benefit to Licensee; or
- by students, faculty or staff of an academic institution (K-12, junior college, college or university) for educational purposes only, excluding any use within the operational infrastructure of the institution or any use that would result in direct or indirect financial benefit to Licensee.

Without obtaining an additional license grant from FairCom, Licensee and any other person acting or purporting to act thereunder shall not:

- use the Software in any commercial environment; or
- disassemble, decompile or reverse engineer the Software or translate the Software to another computer language; or
- modify the copyright and/or statements of confidentiality embedded in the Software; or
- disclose or transfer the Software to any person or entity except as provided for in Section 7 ("Assignment of License") herein.

General Terms and Conditions

3. Proprietary Information.

Licensee acknowledges and agrees that the Software contains information that is proprietary to FairCom. Licensee shall not alter or remove any proprietary notices, nor distribute, disclose to any third party, copy or make summaries of any "Proprietary Information" contained in the Software, nor utilize any Proprietary Information for any purpose not specifically authorized herein. As used herein, "Proprietary Information" means, without limitation, any and all Software source code, object code, binary executable files, data, inventions, patents, discoveries, improvements, trademarks, copyrights, trade secrets, algorithms, mathematical constraints, FairCom confidential

information, know-how and ideas embodied in the Software and any and all intangible intellectual property or privileges of a nature similar to the foregoing, including, without limitation, in every case in any part of the world and whether or not registered, whether received by Licensee from FairCom or from any third party under obligation to FairCom to maintain such information as confidential or not.

4. Title.

The Software is licensed only, not sold, to Licensee. This license does not convey to Licensee any ownership interest whatsoever in or to the Software or any rights therein. All title and intellectual property right (including but not limited to copyright, patent, trademark, trade secret or other) in and to the Software, any accompanying documentation or written material whether in electronic or printed form, and any copies of the Software are owned by FairCom and/or its suppliers, and are protected by applicable copyright or other intellectual property laws and treaties. All such rights are and shall remain the exclusive property of FairCom and/or its suppliers. All rights not expressly granted to Licensee are reserved for FairCom.

5. Backup Copies.

Licensee is permitted to make a reasonable number of copies of the Software to be used exclusively for Licensee's backup or archival purposes. Licensee shall not make or use any such copy of the Software on any media for any other purpose. All such backup copies created by or for Licensee must be prominently marked to indicate clearly and unambiguously that it or they contain copyrighted software that is subject to strict limited use and distribution.

6. Termination.

Licensee may terminate this Agreement at any time. In the event Licensee violates any term of this Agreement and Licensee fails to correct the indicated violation within fourteen (14) days of notification thereof, FairCom may, at its sole discretion, terminate this Agreement, by providing ten (10) days written notice of such termination to Licensee. Upon termination of this Agreement, by Licensee or by FairCom, Licensee's obligation to maintain the confidentiality of the Software shall remain in effect. Licensee shall immediately destroy all copies of the Software, whether retained in whole or in part; modified or not; in source, object or binary executable format.

7. Assignment of License.

This Agreement is assignable by FairCom without limitation. Licensee shall not loan, rent, lease, assign or share use of the Software or this license with any other person or entity unless Licensee first obtains the prior written consent of FairCom.

8. Trademarks.

"c-treeACE", "c-tree", "c-tree Plus", "FairCom" and FairCom's circular disc logo are trademarks of FairCom, registered in the United States and other countries. No right or ownership interest whatsoever in such trademarks is granted to Licensee herein. Licensee shall not use these trademarks, except as specifically required and authorized by this Agreement, without the express written consent of FairCom. Java and Java-based marks are trademarks or registered trademarks of Sun Microsystems, Inc. in the United States and other countries. FairCom is independent of Sun Microsystems, Inc.

9. Disclaimer of Warranties.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FAIRCOM AND ANY THIRD PARTY CONTRIBUTORS EXPRESSLY DISCLAIM ANY WARRANTY WHATSOEVER, WHETHER EXPRESSED OR IMPLIED, FOR THE SOFTWARE INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The entire risk as to the quality and performance of the Software shall be borne by Licensee. Should the Software prove defective, Licensee assumes the entire cost of all necessary servicing, repair and/or correction. Neither FairCom nor any third party contributors to the Software warrant that the technology contained in the Software will meet Licensee's requirements or that the operation of the Software will be uninterrupted or error-free. The Software is licensed in "as is" condition with respect to defects of any kind. The parties to this Agreement intend that the applicable provisions of the Uniform Commercial Code govern for purposes of affording to FairCom the same protections afforded to sellers regarding the claim of warranty, limitation of liability and remedies.

10. Limitation of Liability and Remedies.

FairCom's cumulative and total liability to Licensee or any other party for any claim, demand or action arising from or related to this Agreement or Licensee's use of the Software (whether such claim is made in contract, warranty, tort, product or strict liability, patent or copyright infringement, or any other theory whatsoever), including, without limitation, any claim for damages based on computer viruses or data loss, shall not exceed the amount of the license fee paid to FairCom for the use of the Software, even if Licensee paid no fee. Licensee's exclusive and sole remedy is to request repair of the Software or to request a refund. The decision of which remedy to elect rests solely with FairCom, EVEN IF SUCH LIMITED OR EXCLUSIVE REMEDY FAILS ITS ESSENTIAL PURPOSE. IN NO EVENT SHALL FAIRCOM OR ANY THIRD PARTY CONTRIBUTOR BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES, LOST PROFITS, OR DATA LOSS, EVEN IF FAIRCOM IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE. Any cause of action brought by Licensee under this Agreement, whether in contract, tort or any other theory of liability, shall be commenced no later than one (1) year after such right of action accrues and may not be extended for any reason. If not filed within that one (1) year time limit, the cause of action shall be forever barred. The limitation of liability and allocation of risk established herein is reflected in the price of the software license (even if there is no cost).

11. U.S. Government Restricted Rights Notice.

If Licensee is acting on behalf of any department, unit or agency of the government of the United States of America (hereinafter called the "Government"), the Government acknowledges that all FairCom Software and documentation are "Commercial Items," as that term is defined under 48 C.F.R. 2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation," as those terms are used in 48 C.F.R. 12.212, 252.227-7014(a)(1) and 252.227-7014(a)(5), as applicable. Consistent with these sections, the Software and its associated documentation are being licensed to the Government (a) only as Commercial Items and (b) only with those rights as are granted to all other licensed users pursuant to the terms and conditions herein. If the Software is supplied to the Department of Defense, the Government is acquiring no more than the minimum restricted rights in the Software, as specified in 48 C.F.R. 252.227-7203-5(c). If the Software is supplied to any unit or agency of the Government other than the Department of Defense, the Government's rights in the Software shall be no more than those rights set forth in 48 C.F.R. 52.227-19. Manufacturer of the Software is FairCom Corporation, 6300 West Sugar Creek Drive, Columbia, MO 65203. All rights reserved under the Copyright Laws of the United States.

12. Export Restrictions.

These export restrictions apply to the transfer of the Software as set forth in Section 7 (Assignment of License) and any deployment rights granted for any application or file created with the Software. Access to and use of the Software is granted with the specific understanding and requirement that responsibility for ensuring full compliance with all applicable U.S. and foreign export laws and regulations is being undertaken by Licensee. This includes an obligation to ensure that any individual receiving access who is not a U.S. citizen or permanent U.S. resident is permitted access under applicable U.S. and foreign export laws and regulations. In the event Licensee is uncertain whether Licensee may lawfully obtain access to the Software or deploy any file created with the Software, Licensee acknowledges its obligation to consult with legal counsel to determine whether access is lawful. Licensee understands and acknowledges its obligations to make a prompt report to FairCom and the appropriate authorities regarding any access to or use of the Software or any file created with the Software that may be in violation of applicable U.S. or foreign export laws or regulations.

13. Governing Law.

This Agreement is deemed by FairCom and Licensee to have been executed in Boone County, Missouri in the United States of America ("U.S.A.") and the Agreement and any subsequent amendments shall be construed in accordance with the laws of the State of Missouri, U.S.A. Any litigation concerning or arising out of this Agreement shall be commenced and prosecuted in the Circuit Court of Boone County, Missouri, U.S.A. and Licensee hereby consents to personal jurisdiction in that forum.

14. Severability.

Should a court of competent jurisdiction finally adjudicate any particular provision or provisions of this Agreement or any subsequent amendments thereto to be invalid, void or unenforceable, such final adjudication shall not affect the validity of any other provision set forth in this Agreement or such amendments, if any.

15. Waiver.

No failure by FairCom to exercise and no delay in exercising, any privilege, power or right set forth herein, will operate as a waiver thereof, nor will any single or partial exercise by FairCom of any such privilege, right or power set forth herein preclude further exercise by FairCom of any such privilege, right or power set forth herein.

16. Consent.

If at any time FairCom's consent or action is called for hereunder, it shall be at FairCom's sole and absolute discretion. All implied covenants of good faith and fair dealing are hereby disclaimed.

17. Amendments.

To become effective, any and all amendments, modifications, changes, or required consents hereunder obtained from FairCom must be in writing and signed by a duly authorized representative of FairCom.

18. Survival of Obligations.

Should this Agreement be terminated for any reason, FairCom's rights and Licensee's obligations under Sections 2, 4, 5, 6, 8, 9, 10, 11, 12, 15, and 16 of this Agreement shall survive.

19. Enhancements.

Licensee agrees that FairCom shall have no responsibilities to provide enhancements to the Software for any reason whatsoever, including but not limited to enabling the Software to operate with any application. Licensee also agrees that this Agreement shall not be construed as creating any obligation of FairCom to enhance, update, or upgrade the Software, or to create any nonexistent products.

20. Entire Agreement.

This Agreement constitutes the entire understanding between FairCom and Licensee with respect to the subject matter hereof and supersedes any and all prior or contemporaneous oral or written agreements, understandings, representations or communications between the parties.
